

UPPER YOSEMITE FALLS AND COLUMBIA ROCK HIKE

Spring & Early Summer*

This 7.6 mile hike takes you to breathtaking panoramic views of Yosemite Valley and picturesque views of both Yosemite Falls and Half Dome. During spring or early summer witness Yosemite Falls roaring and in full effect.

This is the ultimate stairmaster hike so prepare yourself for a strenuous workout. Your naturalist guide will take you to the top of the highest waterfall in North America (2,450 feet). This will be an experience you are sure to remember for the rest of your life.

Witness spectacular and unique views of Yosemite Valley, its meadows, and Half Dome as you make your way to the Valley Rim. Learn about the human and geologic history of Yosemite Valley. Get views of the Yosemite High Country that can only be achieved from a higher elevation.

If you are looking for a challenge and a way to see breathtaking views of both waterfalls and the valley from above, this is the tour for you.
