

Evergreen Lodge at Yosemite 2014 Music Schedule

The Evergreen Lodge is pleased to present FREE live music throughout the year. Most shows are in the Tavern at 10pm, a few are early evening outdoor concerts and a barbeque in the plaza (as noted below). Musical acts range from local favorites to regional and national touring bands who are making their mark on the music scene. We love to share all sorts of music, from bluegrass to soul, disco to rock, cover songs you can sing and dance to, and original works of art that will be brand new to you. Enjoy!
