

HETCH HETCHY WAPAMA FALLS NATURALIST HIKE

February-May, November-December*

Hetch Hetchy is a dramatic, lesser-traveled jewel of Yosemite – a smaller version of Yosemite Valley, complete with domes, waterfalls and an idyllic, serene feel. This area has a long and storied history that we look forward to sharing with you.

Our 2.2 mile hike (each way) to the iconic 1,000' Wapama Falls winds its way above the shores of the tranquil reservoir, with splendid walking among granite, wildflowers, creeks and small meadows. We'll relax at Wapama falls before heading back; those feeling energetic can continue past the falls.

During your hike, our naturalist guides share interesting stories of Yosemite and the history and evolving controversy of the Dam and surrounding area. You'll gain a better understanding of the trees, wildlife, geology and natural history of this diverse area.
