

EVERGREEN ADVENTURE SERIES: SOUTH RIM OF YOSEMITE VALLEY

June*

Skip past the summer crowds and take a hike with our fun and informative naturalist guides along the southern rim of Yosemite Valley. This 10.5 mile round-trip hike starts with Aspen groves and meadows of wildflowers that are home to historic sites like McGurks cabin from the late 1800's.

We venture on to the southern rim to less-traveled vistas at Dewey, Crocker, and Stanford Points. You'll see incomparable views of Bridalveil Fall, El Capitan, the Three Brothers and other famous Yosemite landmarks.

Our numerous vista points also treat us to stunning views of northern high country peaks, including Mt. Conness and Mt. Hoffman, as well as the peaks of the Clark Range, which form the southern border of Yosemite's seemingly endless 1,200 square miles of indescribable beauty.
