

YOSEMITE CELLARS VINEYARD TOUR & WINE TASTING

May 1-Sept 30*

Just a few steps off the beaten wine trails of California one can find fascinating pockets of less traveled wine country. The charming and historic Sierra Foothills are home to some of the most intriguing independent winemakers, creating wines with an authentic sense of place.

Within dense evergreen forest, Cheryl and Ron Harms' family home and high altitude vineyard sits upon oak tree-dotted rolling hills that present remarkable mountain views. Near the scenic grandeur of Yosemite National Park, Cheryl and Ron have cultivated their family-owned winery, Yosemite Cellars.

You'll experience a sunset tour of their rocky, south-facing vineyard where Syrah, Grenache, Tannat and Cabernet Franc flourish. Your evening then continues with a tasting of wines made exclusively from their high-elevation estate vineyard. Their land cultivates a sense of self-discovered complexity in an otherwise rustic region.
