

YOSEMITE FLIGHT TOURS

Year-Round*

Climb aboard a Courtney Aviation charter airplane for a truly magical tour of Yosemite from the sky. This thrilling airborne adventure soars over classic icons such as Half Dome, El Capitan, Yosemite Falls and Tuolumne Meadows, providing a look at sites that cannot be seen from the road or trail. You'll also get a bird's eye view of seldom seen waterfalls, granite cliffs and pristine alpine meadows throughout Yosemite's renowned backcountry wilderness.

Your guide is an experienced FAA Air Carrier certified pilot with extensive knowledge of the region based on years spent flying firefighting missions throughout the Sierra Nevada Mountains. Your plane is a technologically advanced off-duty firefighting plane that is a marvel. This trip will give you an extraordinary perspective on the grandeur of Yosemite and the surrounding region that will leave you inspired and energized beyond imagination.
